## MASONIC FEMALE INSTITUTE,

CLEVELAND, TENN. Rev. J. N. Bradshaw, Principal.

The next session of the Institute will commence the 1st day of December next, under the direction and presidency of the Rev. Mr. Bradshaw, who has had charge of it for the last ten months.

The Trustees in making this announcement would specially appeal to all citizens who have daughters to educate in this institution.

Mr. Bradshaw has had charge of the school for ten months, during which time he has rendered ample, and we might say, universal satisfaction to his friends.

It now declares it is like a shipwreck in among the icebergs of an arctic sea. In other words, "it is a Pope's ball against the comet."

Gen. Lawton, now in this city, is still suffering from the wound he received at Sharpsburg.

Indeed, his condition is anything but satisfactory to his friends.

It was found necessary yesterday to make an incision to the bone, extracting from the wound down an abscess which had formed some inches below. He is suffering also from camp fever.

A few weeks ago the notorious Henry Ward Beecher professed to believe that Lincoln's Proclamation "would of itself almost end the war." He now declares it is like a shipwreck in among the icebergs of an arctic sea. In other words, "it is a Pope's ball against the comet."

An equestrian statue of General McClellan has been made in Philadelphia.

The Baltimore "Sun" says "Mrs. Lincoln is in New York, and is principally engaged in making purchases for the coming fashionable season."

Brigadier General W. H. Carroll has been ordered to duty. Gen. George B. Crittenden has reported for duty—no charges having been preferred against him. Gen. McCown has been assigned to the command of Cumberland Gap.

Gen. Magruder left Vicksburg, Miss., on the 28th ult. for Texas. His headquarters will be at San Antonio.

Madame Anna Bishop, whose death at St. Paul, Minnesota, was lately announced, was not the celebrated singer, but the wife of a keeper of a hotel in that place.

### DISPATCHES FOR THE DAILY REBEL.

BY FRANCIS M. PAUL.

J. L. H.

### IN WISCONSIN two Democrats and three Republicans are elected to Congress. One district is yet to hear from and is in doubt.

In Missouri the radical Republican ticket has been generally unsuccessful. Blair's

### Notes from Yankee-Land.

#### TANNER PICTORIAL.

The Richmond correspondent of the Charles

Mercy says:

Harper's Weekly and Leslie's Illustrated

of to-day came by flag of truce yesterday. Leslie's comic cut represents us in Richmond in a state of starvation, and chuckling over one of Mr. Davis' timely fast days. Harper is "down upon" the Seymour party. Three figures are represented with banners marked, "The Union Rides," "The Union is," "The Union not." Another cut represents a member of the Seymour party crawling on his abdomen to kiss the toe which peers out from the ragged stocking of a foot marked "South."

### SUBJECT OF THE CROWNS.

Says the Louisville of the 15th ult.:

"We learn from the Cincinnati Commercial

that two brothers of the rebel Gen. Calhoun, who is reported among the killed in the Perryville fight, reside in Newport. They are Englishmen, and one of them, who has not been naturalized, was thrown into jail a few weeks ago for refusing to work on the fortifications. His friends wrote to Lord Lyons, the British Minister at Washington, on the subject, which resulted in a correspondence between the State Department and Provost Marshal Gassaway, in the release of young Calhoun from custody."
